

THE CLIMAX.

WEDNESDAY, NOVEMBER 4, 1926

—Saturday was Halloween.
—Three weeks until Thanksgiving.

—Born to the wife of Wm. Risk, of Union, a girl.
—Several cases of typhoid fever are reported in Irvine.

—About two thousand people attended the Republican rally Friday.
—Rev. McGinnis, of Versailles, preached at the Christian church Sunday.

—Besides a sick wife, Mr. R. G. Jones, of Stanford, has four children in bed with measles.
—Mr. and Mrs. W. D. Buckley are rejoicing over their second born—a girl. Born Sunday night.

—Died, at the residence of Dudley Pearson near College Hill, Tuesday, Miss Susan Denny aged 88.

—Mothers, who will be interested in our line of Reeler suits and overcoats, are great values. Covington & Mitchell.

—Mr. Seth M. Todd brought to this office Monday, a half dozen well developed apples, the second crop this season.

—Paris High School foot-ball team will play Caldwell High School boys on the University campus next Saturday.

—H. J. Streng will sell his entire stock of goods at auction, beginning Wednesday, November 4. See ad. elsewhere in this issue.

—Mr. Samuel W. Willis and Miss Nellie Turney, daughter of Capt. Dan Turney, of Winchester, were married in Paris Wednesday.

—Jay Wilson caught a pike in the Kentucky river, near Irvine, four feet and six inches long, weighing twenty-four pounds and three ounces.

—Rev. S. F. Kelly, former pastor of the Methodist church at College Hill, left for Hardinsburg Monday, where he takes charge of a church at that place.

—Raymond Shearer, sold last week to John Wagers, of Madison county, 16 cattle, weight 1,000 lbs., at 33¢ cts. He also bought Monday at Mr. Sterling, ten, weight 650 lbs., 23¢ cts.—Winchester Democrat.

—Gov. Bradley, who came here last Friday to honor the Republican party with one of his most telling speeches, was driven up Main street without receiving a single cheer; not even a hat was raised to greet him.

—Georgetown has a nine-day's wonder—a business man, up-to-date in things generally, who, during the campaign, didn't read a single political speech on either side, nor read a newspaper article bearing on the subject.

—Beginning November 1st, all bicycles carried as baggage by the I. & N., will be subject to same rules as excess baggage—no wheels will be carried free—twenty-five cents will be the smallest charge even for short distances.

—Dr. W. J. Edmiston, a prominent young physician of Crab Orchard, and Miss Kate Cochran, the handsome niece of Mr. and Mrs. J. T. Palmer, will be married at the latter's residence in this city November 1st.

—Change come to all. Some one pleasant and some other. A pleasant change for you would be to get out of our nice, warm suits and overcoats; they are just what you want, and at just the price you want to pay. Covington & Mitchell.

—A protracted meeting will begin at the First Presbyterian church next Sunday. Dr. W. B. Jennings, of the Central Presbyterian church, Louisville, will assist the pastor, J. K. Smith. The services will continue two weeks.

—Some of our county communications have been unavoidably omitted during the past three or four weeks on account of the heated campaign, which has consumed most of our space. But now that the election is over, we hope that our correspondents will continue to send in their communications as of yore.

—Examine your \$10 and \$20 bills closely. It is said that one and two dollar bills are being "raised" by pasting on the necessary 0. Not having seen any bills of these denominations recently, the swindle of course does not effect us, but we publish this warning to put our readers on their guard—Paris Reporter.

—The Sentinel Democrat says: Miss Ingels created a great sensation when she appeared in the circus. She could hardly move for the crowds that pressed upon her everywhere she went. Men, women and children were wild. She had three proposals of marriage from young men and one declared for her for next President.

—Died at College Hill.
Mrs. Armilla Elkin, died at the home of her husband, R. H. Elkin, College Hill, Friday, Oct. 30th, aged about 65 years. She had been ill for some time.

A Fine Yield of Pumpkins.
Mr. Billie Adams, who resides down on the Kentucky river, grew a pumpkin vine seventy-three feet long, with two branches of the same length. The total yield of the vine was 850 pounds of pumpkins.

Garison Dead.
Jacob Garrison, residing four miles East of Richmond on the Irvine road, died Tuesday morning from a gun-shot wound inflicted by Charles James on Oct. 25. The history of the shooting was published in last week's CLIMAX.

Saddle Thief Arrested.
On last Friday officer Allman arrested and lodged in jail Alexander Campbell, colored, charged with stealing two saddles from June McKinney on last county court day. Campbell was tried Thursday and given four months in the county jail.

Large Tomahawk.
Mr. George T. Wiley, of Posey, left in this office on Monday last a very large Indian tomahawk.

It is one of the finest specimens of granite tomahawk we have seen. Mr. L. P. Evans has secured it and will put it with his valuable collection of Indian relics.

U. S. Victories.
The football game at Central University Saturday afternoon, between C. U. and Kentucky University resulted in a victory for C. U. by a score of 32 to 6. There was a large crowd in attendance, and in spite of the top-sided score the game was exciting and full of exciting runs. Touch-downs for C. U. were made by Scott, Jones and Norman. Goals kicked by Grimes and Brink. The teams lined up as follows:
C. U. Blanton, left end; Walker Howell, left tackle; Wager Lallance, left guard; Kevell Conrad, center; Barlow Burnam, right guard; Young Jones, right tackle; Lucas Crutcher, right end; Clay Bennett, left half back; Wilcox Norman, right half back; Pilkington Scott, left full back; Montgomery Grimes, left full back; Coleman Can't Get Justice.

Shooting Affair in Still.
In a difficulty over politics, Thos. Harris shot and mortally wounded James Norton last Saturday, near Millers Creek, Estill county. Norton's five-year-old daughter, who was standing near by, was struck in the forehead with several stray shots. She is not, however, thought to be dangerous.

Hempill-Taylor.
Miss Virginia Hempill was married in Nicholasville, on Thursday, to Mr. E. V. Taylor, of Chicago. Miss Hempill is well known in Richmond society, having often visited her sister, Mrs. Aretha Woods, who formerly resided in this city, and whose husband was proprietor of the Clyndon Drug Store, at the time that hotel was burned.

Horribly Burned.
Mrs. George Whittaker, a widow living near Cottonburg, this county, was horribly burned Saturday afternoon. She was standing in front of the fireplace when she was overcome by an epileptic fit. She fell senseless on the hearth, where her clothes caught fire. When found a few minutes later her face, arms and hands were badly burned. Dr. Middleton, her physician, says she cannot live.

Court Day.
Collins & Fox reports very few horses on the market. Those sold brought from \$25 to \$50.
Cotton mules sold from \$40 to \$50. One pair extra good mules brought \$100.

Norris Bros. report about 1,500 cattle at the pens and some sold at 3 and 3½ cts. Others sold at from 2½ to 3 cts.

Jack Sowell, the Life Saver.
Jack Sowell, the Kentucky river life saver, was in town Monday and reported to us that he had saved twelve persons from drowning since 1876. Those indebted to Mr. Sowell for their lives are: Milton Webb, Anderson Oldham, George Rhodes, Floss Hill, Arthur Harris, Win. Hill, five Bush children and an unknown man from Clay City.

For Bryan and Sewall.
On last Thursday night the court house was filled to overflowing, the occasion, a speech in behalf of Bryan and free soil, delivered by Miss Margaret Ingels, of Paris. Although weary and worn out from constant speaking, Miss Ingels did justice to the cause for which she so earnestly plead.

After Miss Ingels had finished her address, Judge J. M. Morton, of Lexington was introduced, thus affording the audience a double treat in one.

—You will be sure to be pleased if you look through our stock for old and young. Covington & Mitchell.

The Sick.
Mr. Nannie Benton, an estimable lady of Irvine, is very low with pneumonia.

Mr. Irvine Brather is out again after a protracted spell of fever.

Mr. Portwood, of Moberly, is improving after a terrible struggle with fever.

Mrs. S. L. Midkiff, who has been suffering for some time of nervous prostration, is slowly recovering.

Mr. M. H. Cohen, after several weeks illness, is out again.

Married in Lexington.
Mr. Everett Willoughby, of Madison county, and Miss Fanny Allen, daughter of Squire J. W. Allen, of this county, were married in the parlors of the Phoenix Hotel, Lexington, last Friday evening. Dr. T. H. Helling officiating. The attendants were Mr. C. U. Trible and Miss Florence Willoughby. The wedding party returned Saturday and were given a reception at the home of the groom's uncle, Mr. Yancy Merritt, in this city.—Winchester Sun.

Thirty Years Older.
Last week's Register spoke of Mr. R. C. H. Covington having in his possession an old American coin, bearing the date 1795. Mr. L. Gentry has a silver dollar, a Spanish coin, which bears the date 1795. The coin is very large; on one side is a crown and on the other a man's head. Some foreign inscription has been on both sides of the dollar, but it is hardly discernible now; some of the letters being worn entirely away. When a baby, Mrs. Gentry cut her teeth on this same coin.

A Good Play.
If there is any truth in the saying "a good laugh is better than a dose of medicine," every one in the large audience which witnessed "Jolly Old Chums" at the opera house last Wednesday night, must have felt ten years younger. Not once, during the entire performance, was there any cause for complaint. Everything extremely laughable, but nothing rough or downy. The songs and dances were especially good. Messrs. White & Bush are to be congratulated on having secured such a troupe.

Second Crop of Grapes.
Mr. John Doty brought to this office on last Friday, two small bunches of grapes gathered from his arbor, the second growth of the season. The first crop was gathered in July, and immediately after, the blooms on the second crop appeared, and now has about two dozen bunches of the second crop ripe, and they are as firm and nice as the first crop.

Mr. W. G. Shearer brought us seven bunches of a second crop. His vines are three years old and have borne the second crop two years in succession.

Goes to Utah.
It is with much regret that our people learn of the intended departure from our midst of Capt. H. S. Wygant and his excellent family. Capt. Wygant came to our city almost four years ago to take charge of the military department of Central University; also drilling a class of young ladies at Madison Institute. It is useless to say anything in praise of this family for they are too well known to our people, and if any word would go forward persuading them to remain with us, how quick all would be in saying, "stay. Our best wishes go with the captain, his wife and three young boys to Utah, where he will join his regiment, the 24th U. S. A."

Gladness Comes
With a better understanding of the transient nature of the many physical ills, which vanish before proper efforts—gentle efforts—pleasant efforts—efforts which do not need the aid of the knowledge, that so many forms of sickness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly remedies. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the only remedy which promotes internal cleanliness without debilitating the organs on which it acts. It is therefore all important, in order to get its beneficial effects, to note when you purchase, that you have the genuine article, which is manufactured by the California Fig Syrup Co. only and sold by all reputable druggists.

If in the enjoyment of good health, and the system is regular, laxatives or other remedies are then not needed. If afflicted with any actual disease, one should have the best, and with the well-informed everywhere, Syrup of Figs stands highest and is most largely used and gives most general satisfaction.

Miss Elvira S. Miller, of Louisville, is visiting her sister, Mrs. Dr. A. Wilki Smith.

No Hump.
Foley's Honey and Tar does not claim to perform miracles. It does not claim to cure all cases of consumption or asthma. But it does claim to give comfort and relief in advance stages of these diseases and to usually cure early stages. It is certainly worth trying by those afflicted or threatened with these dread disease. W. G. White.

YOU ought to know that when suffering from any kidney trouble that a safe, sure remedy is Foley's Honey and Tar. It is guaranteed or money refunded. W. G. White.

George Craft was forced to leave a Chicago hotel, during the Worlds Fair for not paying his bill, and his trunk was kept, but never opened until last week, when it was found to contain \$300 in Lexington and Louisville bonds.

You Can't Afford to Chance It.
A heavy cold may lead to pneumonia or consumption. Foley's Honey and Tar taken in time affords perfect security from serious results. W. G. White.

How to Prevent a Cold.
After an exposure, or when you feel a cold coming on, take a dose of Foley's Honey and Tar. It never fails. W. G. White.

The three-year-old boy of J. A. Johnson, of Lynn, Ill., is subject to attacks of croup. Mr. Johnson says he is satisfied that the timely use of Chamberlain's Cough Remedy, during a severe attack, saved his little boy's life. He is in the drug business, a member of the firm of Johnson Bros., of that place, and they handle a great many patent medicines for throat and lung diseases. He had all these to choose from, and skilled physicians ready to respond to his call, but selected this remedy for use in his family at a time when his child's life was in danger, because he knew it to be sure to cure, and he wanted to save the county over for its cures of croup. Mr. Johnson says the best selling cough medicine they handle, and that it gives splendid satisfaction in all cases. Sold by W. G. White, Richmond, Ky. 22-25

Nebraska produced fifteen million pounds beet sugar, this year, and one farm made a net profit of \$42 per acre.

A cough which persists day after day, should not be neglected any longer. It means something more than a mere local irritation, and the sooner it is relieved the better. Take Ayer's Cherry Pectoral. It is prompt to act and sure to cure.

Col. Sanders D. Bruce, founder of the American Book Store, the first volume of which was issued in 1866 and which has been the authoritative record of racing stock in the United States for over 30 years, has just sold the book to the New York Jockey Club people for \$35,000 cash.

Others have found health, vigor and vitality in Hood's Sarsaparilla in the One True Blood Purifier and nerve builder.

The only permanent cure for chronic catarrh is to thoroughly expel the poison from the system by the faithful and persistent use of Ayer's Sarsaparilla. This wonderful remedy proves successful when all other treatment has failed to relieve the sufferer.

Catarrh Means Danger.
Because if unchecked it may lead directly to consumption. Catarrh is caused by impure blood. This fact is fully established. Therefore, it is useless to try to cure catarrh by outward application or inhalants. The true way to cure catarrh is to purify the blood. Hood's Sarsaparilla, the great blood purifier, cures catarrh by its power to drive out all impurities from the blood. Thousands of people testify that they have been perfectly and permanently cured of catarrh by Hood's Sarsaparilla. 22-25

If the hair is falling out and turning gray, the use of the skin made by stimulating and color-food, and the best remedy and stimulant is Hall's Hair Restorer.

Hair Restored to Natural Color.
I have used many preparations for restoring hair to natural color, but never had satisfactory results till I used Zulu Vialer. It will restore any hair or beard to its natural color in three weeks. If it does not return your hair to natural color, or make any color of hair dark or three weeks they will return your hair to its natural color. This proposition is so fair that thousands are using it. It is harmless, but never fails. Why can't big money be made by selling Zulu Vialer from house to house? (2)

An Important Difference.
To make it apparent to thousands, who think themselves ill, that they are not afflicted with any disease, but that the system simply needs cleansing, is to bring comfort home to their hearts, as a comfortable condition is easily cured by using Syrup of Figs. Manufactured by the California Fig Syrup Company only, and sold by all druggists. 22-25

Clothing Dyed to Order.

Belle Breck is prepared to dye clothing, goods and other articles in any desired color. References from best people in Richmond furnished. Prices reasonable. 19-22

Facts in Medicine.
There are facts in medicine as in every thing else and a "new thing" frequently sells for a short time simply because it is new. But in medicine, as in nothing else, the people demand and will be satisfied only with positive, absolute merit. The fact that Hood's Sarsaparilla has stood its ground against all competition, and its sales have never wavered, but have remained steadily at the top, demonstrates, beyond any doubt, the intrinsic virtues of this medicine. The new things have come and gone but Hood's Sarsaparilla rests upon the solid foundation of absolute merit and its power to cure, and its sales continue to be the largest in the world. 20-23

If your children are subject to croup watch for the first symptom of the disease—hoarseness. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse it will prevent the attack. Even after the croupy cough has appeared the attack can always be prevented by giving this remedy. It is also invaluable for colds and whooping cough. For sale by T. S. Hagan. 18-32

The Darlington, Wis. Journal says editorially of a popular patent medicine, "We know from experience that Chamberlain's Colic, Cholera and Diarrhea Remedy, is all that is claimed for it, as on two occasions it stopped extraordinary pains and possibly saved us from an untimely grave. We would not rest easy over night without it in the house." This remedy undoubtedly saves more pain and suffering than any other medicine in the world. Every family should keep it in the house, for it is sure to be needed sooner or later. For sale by T. S. Hagan. 18-22

Don't let anyone persuade you to take anything else instead of Simon's Liver Regulator. Some merchants will try to do this but not for your good. They do it to make a little more profit on something as an inferior quality, though you must pay just as much for the bad as for the good. Be sure to take Simon's Liver Regulator and nothing else. Look for the Red Z on every package. (4)

There is no joy in this world equal to the happiness of motherhood. A woman's health is her dearest possession. Good looks, good times, happiness, love and its continuance, depend on her health. Almost all of the sickness of women are traceable directly or indirectly to some derangement of the organs distinctly feminine. Troubles of this kind are often neglected because a very natural and proper modesty keeps women away from physicians, whose assistance upon examination and local treatment is generally as useless as the common. Dr. Pierce's Favorite Prescription will do more for them than 99 doctors in 100. It will do more than the one hundred doctor can unless he prescribes it. It is a prescription of Dr. R. V. Pierce, who for 31 years has been chief consulting physician of the World's Dispensary and Invalids Hotel at Buffalo, N. Y.

"The worst cold I ever had in my life was caused by Chamberlain's Cough Remedy," writes W. H. Norton, of Sutter Creek, Cal. "This cold left me with a cough and I was expecting after the time. The remedy cured me, and I want all my friends when I coughed with a cough or cold to use it for it will do them good." Sold by W. G. White, Richmond, Ky. 22-25

You Can Be Well.
When your blood is pure, rich and nourishing for nerves and muscles. The blood is vital fluid, and when it is poor, thin and impure, you must either suffer from some distressing disease or you will easily fall a victim to sudden changes exposure, or over work. Keep your blood pure with Hood's Sarsaparilla and be well.

Hood's Pills are the best family cathartic and liver medicine. Gentle, reliable, sure.

How to Cure a Bilious Colic.
I suffered four weeks with colic and pains in my stomach, caused by biliousness and had to take medicine all the while until I used Chamberlain's Colic, Cholera and Diarrhea Remedy which cured me. I have since recommended it to a good many people. Mrs. F. Butler, of Fairhaven, Conn. Persons who are subject to bilious colic can ward off the attack by taking this remedy as soon as the first symptoms appear. Sold by W. G. White, Richmond, Ky. 22-25

KILLED IN A CAR.

John Hargis Shot and Killed by Jerry Cardwell, the Result of an Old Feud.

JACKSON, Ky., Nov. 2.—One of the most sensational shooting scrapes ever occurring in this section was that on the Lexington and Eastern railway train near Three Forks City, on its return to this place, resulting in the instant killing of John G. Hargis. The train was crowded with people returning from the republican rally at Beattyville and there was more or less drinking.

Jerry Cardwell, the regular marshal on the road, in some way became involved in a quarrel with Hargis. Pistols were drawn. An eye-witness says Cardwell did not shoot at him, then came back and took his seat and very shortly let drop his pistol and died. Cardwell was also wounded in three places, and is now at Beattyville, where he went and gave himself up to the officers.

The parties are of the most prominent in this county. Hargis was a merchant at Elkavata, son of Senator John G. Hargis, deceased, and brother to ex-Senator A. H. and James Hargis, one of the largest money-changers in town. Cardwell is town marshal at Jackson and a son of ex-Senator Thomas Cardwell, a nephew of Maj. O. N. Cardwell, of Winchester, and a nephew of Thomas F. Fitzpatrick, democratic candidate for congress in this, the Tenth district. Hargis was buried here Sunday.

FAIR SAILING.

Through life for the person who keeps in health. With a strong body, the blood that follows it, you are an easy prey to all sorts of ailments. That "used-up" feeling is the first warning that you are not doing it right.

That is the time to take Dr. Pierce's Golden Medical Discovery. As an appetizing, restorative tonic, to repel disease and build up the needed flesh, nothing else can equal it. It purifies every organ into beautiful action, rouses and enriches the blood, braces the whole system and restores health and vigor.

DYSPEPSIA, CHRONIC DIARRHEA.

MISS SARAH GIBSON, of Saco, Bradford began the use of Dr. Pierce's Compound Extract of Sarsaparilla, one-half dose, and suffered with stomach trouble. It came so very bad I could not eat almost anything. I began taking your medicine, as you advised, and now can eat almost anything I want. I have taken about one dozen bottles of Dr. Pierce's Compound Extract of Sarsaparilla. Golden Medical Discovery.

MISS GIBSON. I also suffer from chronic diarrhea; could get no help till I began the use of Dr. Pierce's Compound Extract of Sarsaparilla, one-half dose, and suffered with stomach trouble.
